SYLVESTER:

1) Wow! It IS YOU! "Knighthood" a word only YOU used in reference to Bill Ryan's good work and deeds on setting up the "Project SERPO" Web site.

2) I do NOT know how long Bill and K*** were together, but he lost a GREAT one: K*** has a MA / BA in linguistics from UCLA and San Francisco State Univ and is the reincarnation of Thomas Jefferson's wife, Martha Jefferson! Her story of her previous incarnation appears in the book, "Dear *****."

Because Bill wiggled out and took "Project SERPO" too seriously, she's losing her \$1 MILLION Pacific, CA home to the \$5,000/mo mortgage payments; she's working as a substitute teacher now just to make ends meet without Bill's \$80,000/yr salary around,... and all on account of SERPO!

3) CORRECT: I could NOT have fallen for it and they instructed Bill to NOT have any contact with me insofar as sharing ANY information because they knew I would figure it out soon by asking too many probing questions.

4) QUESTION: Are the journal entries "you" provided on 12-21-05 for POSTING #11 AUTHENTIC, yes or no?

QUESTION: WHEN can I make an announcement to my UFO Thread List, which will then be immediately posted to the SERPO.org Web site that POSTINGS #12 #13 and #15 were staged by an IMPOSTER?

QUESTION: What were those weird drafting-like objects supposed to be in POSTING #15? They were labelled "ebenobject."

QUESTION: WHEN can I tell the group to expect the next stream of information from you? Days, weeks or late March 2006?

4) Those promised PHOTOS should be your #1 priority. Your e-mail was compromised, but through a special attachment, I now have the ability to accept and send PHOTOS masking the sender's ID, so yes, you can send them to ME DIRECTLY and then I'll forward them on to Bill.

5) Hey, well if you're ever out in L.A., you know I'm always at the Habit every Friday afternoon between 3:30 - 5 p.m. at 249 N Glendale Ave, Glendale, CA; call AC-818 246-6095 for directions.

6) REMINDER: Make sure and pickup the Feb/March issue of "UFO Magazine" for their "Project SERPO Special!" On newsstands SOON!

Victor:
That knighthood I promised will be yours and yours alone someday. The forces that work against us grow careless in their old age. I was quite shocked to read how easily Bill Ryan could be fooled into serving Mr. Doty. I gave Bill much more credit than that, although he would not be the first intelligent person to be fooled by this master of disinformation.

My colleagues warned me that we would encounter such treachery. Be hopeful that this is merely an anticipated setback and NOT an end to our mission.

Our task now is to convince those in charge of our access to the information that the imposter was an agent known for disinformation.

I was also saddened by Bill Ryan and his girlfriends falling out over this incident. Was it her involvement with Rick Doty that caused it? How long were she and Bill together? I would not trade the love of a good woman for all the secrets in the world!

And thank you very much for catching me up on recent events. There has been much suspicion that the imposter was working from old documents that were used in earlier disinformation campaigns. Please pursue the connection between Project Sigma to any extent possible. THAT sort of information (the official lies) are not available to us. They can be accessed by the power that control us, however, so any guidance I can provide them with will hasten the approval for us to proceed!

Again, I thank you for your trust and hope that we can enjoy a meal together to celebrate our VICTORY soon!
